

Privacy Policy

1. General

We at Winn.AI Ltd. (the “**Company**”, “**We**”, “**Us**” or “**Our**”), are committed to securing your Personal Data and your privacy. This privacy policy (the “**Policy**” and the “**Website**”) provides you information regarding the types of information that We collect about the users of our solution (the “**Services**”) and website, how We use it, store it, process it and share it with third parties.

We process the Personal Data in the following circumstances:

- **Customer Data:** personal data that we collect, process and manage on behalf of our customers (“**Customers**”), submitted to us by our customers. We process such data as a Processor on behalf our Customers. These are the details of the Data Processing Activities we perform on behalf of our Customers – <https://www.winn.ai/dpa>

This Privacy Policy does not apply on such Processing. This Policy describes the Company’s independent processing as Controller (or a business under the California Consumer Privacy Act of 2018 (the “**CCPA**”) and the California Privacy Rights Act of 2020 (the “**CPRA**”))

- **User Data:** personal data concerning our Customers’ employees who directly engage with our Services and the Company;
- **Prospect Data:** data relating to prospective customers or user, including users of our on-line channels such as the website www.winn.ai (the “**Website**”).

In this Policy, “Personal Data” refers to any information relating to an identified or identifiable natural person. An identifiable natural person is one who can be identified, directly or in combination with additional information that We have or that We have access to.

2. When do We collect Personal Data about You?

We may collect Personal Data about You in the following circumstances:

- When you access or use the Website;
- When Users use the Services;
- When Prospects interact with Us in any manner, including by our various services channels – email, social networks, direct messaging channels.

3. No Obligation To Provide Personal Data To The Company And Its Implications

You are not obligated to provide Us with any Personal Data about you. However, in some instances, not providing such Personal Data will prevent Us from providing you with the Services you requested Us to provide you, will prevent your use of the Services or a part thereof.

4. What types of Personal Data do We collect?

We (or others on Our behalf) may collect the following types of Personal Data about You:

When you are a User

- 4.1. Registration information and personal data – upon creation of an account with Us, You provide Us with certain information, including your name, email address, position with our Customer, as well as any other information as the Company may deem necessary to collect at the point of registration. While some of the details mentioned above are required fields in pages of registration, others are not required, but We recommend that You complete them so that We can provide You with the best services We can;
- 4.2. Information we receive from third party platforms – the Services are built on the Zoom services (and may be extended to additional video call providers and we collect call information, call transcript and recording as part of our Services, as well as, username, email address, profile picture, location). This information is collected by such third party and shared with Us pursuant to their respective privacy policy, including <https://explore.zoom.us/en/privacy/>.
- 4.3. Communication information – when You contact Us, including via Our Website, social media networks or any other User support channels, You may provide Us with Your name, certain contact information (such as email address and telephone number) and the content of Your communication with Us.
- 4.4. Service activity information – whenever You use the Services, we monitor Your use of the Services and record Your activity. The information that We gather about You in this context includes any activity that You perform through the Services, including any text, images or videos that you upload or provide to us in the context of the Services. This information that We collect as mentioned also include information about meetings documented in Your calendar. Details about how We use this information is available in the Data Processing Activities list [https://www.winn.ai/dpa](https://www.winn.ai/dpa;);

When you are a Prospect or while using our Website

- 4.5. Website usage information – this information includes online activity log, traffic information (including, without limitation, IP address, time of access, date of access, web and mobile page(s) visited, language used, software crash reports and type of browser used, information regarding the device You used. Some of this information may not identify You personally, and therefore not constitute Personal Data;
- 4.6. Communication information – when You contact Us, including via Our Website, social media networks or any other communications channel, You may provide Us with Your name, certain contact information (such as email address and telephone number) and the content of Your communication with Us.

Aggregate Information

- 4.7. We will also create statistical, aggregated and anonymized data relating to our Users and the Service for analytical purposes, including business development and services improvements. Aggregated data is derived from Personal Information and User Data but in its aggregated form it does not relate to or identify any particular client or

individual or any specific user's data. This data is used to understand our customer base and to develop, improve and market our services.

5. **The Purposes Of The Processing Of Personal Data And Their Legal Basis**

The Company processes your Personal Data for one or more of the purposes outlined in this section and according to the appropriate legal basis.

The Company will not process Personal Data about you unless there is a legal basis for such processing.

The legal bases according to which the Company may process Personal Data about you are as follows:

- **Processing is necessary for the performance of a contract to which you are party or in order to take steps at your request prior to entering into a contract.** This refers to all the information required for us to provide you with the Services and grant you access thereto as well as Our use of the call and conversation information collected as part of the Services;
- **Processing is necessary for the purposes of the legitimate interests pursued by the Company or by a third party.** By way of example, for the purpose of improving Our Services will we use the data collected during the conversation and the content thereof to improve our Services; or for the exercise or defence of legal claims.
- **Your consent that the Company will process Personal Data about you for one or more specific purposes.** By way of example, for the purpose of sending marketing materials to you.

Where the legal basis for the processing of the Personal Data about you is consent, you may at any time withdraw your consent for the purposes for which you provided your consent by sending a notice free of charge to the following email address: support@winn.ai.

Where you withdraw your consent for the processing of Personal Data about you, We might not be able to provide you with some or all of the Services you requested or in the form intended to be provided to you, and you will have no claim in respect of that.

At any time, you may approach Us by sending a notice to the email address support@winn.ai, in order to receive information concerning the review performed by Us. This is so you can conclude that We may process the Personal Data about you on account of such processing being necessary for the purposes of the legitimate interests pursued by the Company or by a third party.

6. **Your Right To Object To The Processing of Personal Data About You For Direct Marketing Purposes**

- 6.1. The Company may provide you with offers that are tailored for you specifically, in order to connect you to brands, products and services in ways that are important to you. This may include ads, offers and other sponsored content

related to products and services of Ours or of third parties. This is done following the processing of Personal Data about you, in order to adjust the materials presented to you, on the basis of your preferences, behaviour, characteristics and interests. For this purpose, We use Personal Data automated analysis techniques that provide Us with analysis and conclusions concerning you in various aspects, including profiling.

- 6.2. Similar analysis and conclusions are used to the extent that you agreed to receive marketing materials from Us, as such materials are tailored to offer you products and services which We think may be of more interest to you.
- 6.3. Where Personal Data about you is processed for direct marketing purposes, you shall have the right to object at any time to such processing for this purpose, including profiling to the extent that it is related to such direct marketing, by sending a notice to the following email address: support@winn.ai, in which case We shall cease to process Personal Data about you for such direct marketing purposes.
- 6.4. In addition, you may withdraw your consent from receiving marketing materials via email at any time, by sending an email free of charge with the title “unsubscribe” to the following email address: support@winn.ai or by clicking the unsubscribe option in any marketing material sent to you. You can withdraw your consent from receiving marketing materials via push notifications in your mobile device’s settings page.
- 6.5. Please note that if you opt out of receiving marketing communications from Us, We may still communicate with you from time to time if We need to provide you with non-marketing information about Our Services or for other legitimate non-marketing reasons.

7. Transfer Of Personal Data To Third Parties

- 7.1. We will not disclose Personal Data about You to third parties except as detailed in this Policy.
- 7.2. We may transfer Personal Data to entities that control Us, entities that are under Our control and/or to entities under common control or ownership with Us, as shall be from time to time (collectively the “**Group**”). Such entities may use the Personal Data to support the needs of the Group.
- 7.3. The Company may also share Personal Data about you with third parties that provide Us with the following services:
 - Storage and hosting providers, including cloud computing services and data security services;
 - IP address information;
 - Analysis of user experience;
 - Support;
 - Marketing;
 - CRM data management;
 - Accounting and legal services; and

- Research, analytical, technical, and diagnostic services.
- 7.4. We may share Personal Data about You with the following third parties or for the following purposes:
- *With respect to Users*
We may share your Personal Data with the Customer and other Users associated with that Customer. Your personal data and activity within the Services may also be monitored, processed and analyzed by the designated person(s) by the Customer.
 - *Integration*
The Customer may integrate our Services with his other system and in such case the Personal Information collected by Us may be shared with such third parties and subject to their respective privacy policies and terms of engagement with the Customer.
 - Upon Your consent or instruction;
 - Third parties providing Us services related to the offering of the Services, including the Website (e.g. cloud service providers, support providers, integrated third party platforms providers);
 - If we are involved in a merger, acquisition, bankruptcy, reorganization, partnership, asset sale or other transaction, we may disclose your Personal Information as part of that transaction;
 - In the event that We involve in a merger, change of control, acquisition, reorganization, liquidation, insolvent, assets sale, or other transaction, We may disclose Your Personal Information as part of such process;
 - To protect Our rights, property and interest or those of third parties;
 - To fulfil Our legal or regulatory requirements or to comply with a court order.

8. Transfer of Personal Data abroad

Personal Data about you may be transferred to a third country (i.e. jurisdictions other than the one you reside in) or to international organizations. In such circumstances, the Company shall take appropriate safeguards to ensure the protection of Personal Data about you and to provide that enforceable data subject rights and effective legal remedies for data subjects are available.

If you are an EEA resident, please note that these safeguards and protection will be available if any of the following are met:

- a. The transfer is to a third country or an international organization that the EU Commission has decided provides an adequate level of protection to the Personal Data that is transferred to it pursuant to Article 45(3) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 ("**GDPR**");

- b. The transfer is according to a legally binding and enforceable instrument between public authorities or bodies pursuant to Article 46(2)(a) of the GDPR; or
- c. The transfer is in accordance with standard data protection clauses adopted by the EU Commission pursuant to Article 46(2)(c) of the GDPR.

You may request that the Company provide you with details concerning the safeguards employed by it to protect the Personal Data about you that are transferred to a third country or an international organization, by sending an email to the following address: support@winn.ai.

9. Retention of Personal Data

We will retain Personal Data about You only for as long as necessary for the fulfillment of the purposes for which such Personal Data is collected. We may retain Personal Data about You for longer periods, if We find it necessary to comply with legal requirements applicable to Us.
